

VOIP PHONE SYSTEMS!

HOSTED VOIP THAT SAVES YOU MONEY!

With years of experience, Octagon's team recognises the need for great communications in schools. Keeping your site or Trust connected, Octagon will support your growing school with a professionally supported, cloud-hosted phone solution that's designed to reduce your cost with a futureproof investment.

VOIP PHONE SYSTEMS BY OCTAGON EDUCATION

INCLUDED

State-of-the-art phone features

Up to 40% reduction on bills

Cost-effective to buy and maintain

Recorded call options ('press 1 for absence, press 2 for the office', etc)

Free calls between sites

Call recording

Automated day/night service

Fully-configured system that's ready to plug in!

10 years' IT support experience with local schools and businesses

As the UK prepares for the switch-off of its traditional phone systems, now's a great time to move to a cloud-hosted VoIP solution. With Octagon, you'll benefit from:

- ✓ Savings of up to 40% on your phone bills
- ✓ Set-up managed by our team
- ✓ Expert continuous support

FLEXIBLE PACKAGES FROM OCTAGON!

Whether you're looking for phone system replacement on a single site or a multi-site, Trust-wide solution, we'll design a system that suits you.

WHY WORK WITH OCTAGON?

Because we want to work with you! We're passionate about what we do, helping schools to get the most out of their children and delivering excellent customer service.

Our skilled, local team, based in Leigh, will keep your school communications up and running. With a problem-solving approach and advice that's easy to understand, our team will recommend, install and support a feature-packed VoIP phone system that will keep your teams talking.

Cost-saving solutions, fully-managed set-up, professional advice and great value pricing: Octagon helps your school to achieve higher.

THE OCTAGON DIFFERENCE!

With 10 years' experience in IT and communications and a decade of hands-on primary teaching, we know how schools work and what they need. Octagon's proud to offer:

- ✓ **Flexible** systems tailored to your school
- ✓ **'Plug & play'** easy installation
- ✓ **Broadband** and connectivity support
- ✓ **System support** whenever you need it
- ✓ **Local** Leigh team that's with you quickly
