

OCTAGON EDUCATION'S SERVICE LEVEL PROMISE

Our local team believes that all children deserve the very best start to their education, and our reliable, flexible and enterprise-grade VoIP phone systems help you and your children to achieve higher.

We're passionate about what we do, delivering excellent, personal customer service that really gets to know your school whilst delivering excellent cost savings.

THE OCTAGON DIFFERENCE!

OUR VOIP PHONE SYSTEM CLIENTS BENEFIT FROM:

	Octagon Education
Up to 40% savings on phone bills every month	✓
Cost per system, not per handset – connect as many users as you wish	✓
No hidden costs, or costs per feature	✓
One low monthly cost, unique for schools!	✓
No need to change your phone number	✓
State-of-the-art phone features (e.g. call routing and automated voicemail)	✓
Update system remotely for urgent answering messages (e.g. school closures)	✓
No extra lines required – 3 concurrent inbound and unlimited outbound calls	✓
Cost-effective to buy and maintain a complete VoIP system	✓
Fully-configured system that's ready to plug in	✓
Free calls between sites – great for large single sites or multiple schools	✓
Fast response times for phone system support by VoIP experts	✓
Flexible contracts designed around your school's needs	✓
Broadband connectivity support to get the most out of your VoIP system	✓
Migration, installation and set-up managed by Octagon's VoIP experts	✓
Futureproofed system in place before the analogue switch-off rollout	✓

✓ **Reliable** ✓ **Accessible** ✓ **Best Value**
